

Opening day of the 4th Annual Community Market was a huge success! The next market will be on Friday, June 20th from 4-7 p.m. on the lawn of the Municipal Center. Seems like having dinner and shopping on a Friday night here in Bethel is a good thing. There are a few new items for the market.

This week – music will be provided by the talented Wry Bred – a local instrumental group. The contra dance trio Wry Bred, made up of Bethelite Julie Sorcek on flute and saxophone, Mickey Koth on fiddle, and Robert Messoro on guitar, has been entertaining dancers and audiences since 2009. In addition to dances, private parties and other events, Wry Bred plays monthly at the Outer Space performance venue in Hamden on the 1st Tuesdays of the month.

The Poutine King (POO-tine) will be here on June 20th. If you have not tried Poutine – you have to... yummy french fries, cheese curds and gravy. They have many different spins on this as you can see from the menu below. Poutine is definitely a must try item! The Poutine King also features hot dogs, mozzarella sticks and chicken fingers – perfect kid friendly food. Why not give them a try...

Daily Fare is back with her usual delightful fare and her new – OMG yummy pasty (pronounced Pasty (PASS-tee) which are savory handheld pies. Pasty are perfect for dinner on Friday, or take them home/freezer meals – quick, easy and delicious for those nights when you don’t have the time (or interest) in cooking. This week, in addition to Pasty, Robin will be featuring her cinnamon buns, famous carrot slaw and other goodies.
