

Town of Bethel Infiltration and Inflow Study Request for Qualifications (RFQ)

The Town of Bethel, Connecticut is seeking the services of a qualified Engineering Consulting firm to assist the Town in a study of the sewer system within the Town of Bethel in order to determine points of inflow and infiltration within the system.

Full RFQ and the scope of services can be obtained from the Town Of Bethel Public Works/Town Engineer's Office, Clifford J. Hurgin Municipal Center, 1 School Street Bethel, CT 06801, or the Town of Bethel website. Please return all RFQ's to the Public Works Department by 4pm, Friday, February 27, 2015.
