Amanda Riley, Sodexo Food Services Manager, informed the committee they are now serving Boars Head cold cuts at BHS and they are very popular. Individual Chicken Caesar Salads, and paninis are also very popular. Last year they began serving gluten free options, 100% beef hot dogs, and all natural chicken tenders. Students are eating healthier options. At Rockwell and Berry student are eating a lot fruit and the entree salads are big seller at the elementary schools too. Mrs. Riley noted that most of the fruits and vegetables are regionally grown. Staff at BHS will be able to pre-order lunch via an app in January and plan to roll it out at BMS at a later date. Mrs. Riley will also be meeting with students from BHS/BMS for feedback on the lunch program.
