POSTPONED - Special BOE Meeting Soliciting Community Input on Budget

Bethel, CT, December 19, 2012: Please be advised that the Special Board of Education meeting soliciting community input about the 2013-2014 budget scheduled for 6pm-7pm on Thursday, December 20th is postponed until January 10th. In light of the tragedy in Newtown, peoples' foremost concerns are for the victims and their families in Newtown and the safety of the children in our schools. My administration has been diligently reviewing our safety protocols and gathering recommendations for security upgrades. During the Special Meeting on the 10th, I will provide another update to the community on the additional measures we have taken. Thank you for your understanding as we attempt to address safety concerns thoroughly and proactively. Our regularly scheduled Board of Education meeting will take place as posted at 7pm.
