First Selectman Knickerbocker made a motion, which was seconded by Selectman Straiton, that:

RESOLVED that the Board of Selectmen, in accordance with the provisions of the Town of Bethel Charter, Section C8-13(C)(4)iv and Section C8-13(C)(4)iii, finds that it is in the public interest and the public economy to waive the bidding requirements for and approve the exchange of the Town of Bethel’s used equipment known as Two 6 yard Swenson S/S sanders (Model EV100); One 1 yard gas engine driven Swenson S/S sander (Model PV series); One 1 yard hydraulic driven Swenson S/S sander (Model PV series); and, Two unused S/S sander tails, (all hereinafter collectively referred to “used sanders”) for one (1) new 11’ trip edge plow (hereinafter referred to as “trip edge plow”).

The W.H. Rose Company, dba H.P. Fairfield LLC has agreed to accept the Town of Bethel's used sanders in exchange for a trip edge plow.

The reasons for the bid waiver are as follows:

1. The used sanders are approximately 10 to 14 years old and are no longer used due to the changeover to all season bodies.
2. The used sanders have an approximate trade-in value of \$10,000 and the trip edge plow has a value of approximately \$10,000.
3. The trip edge plow is interchangeable and can be utilized by the majority of the Town's snow plowing apparatus.
4. The trip edge plow was requested in the Fiscal Year 2014-2015 budget and was removed from the budget.
5. The need and use of the trip edge plow is immediate due to the current winter season.

And it is further **RESOLVED** that the First Selectman, and or his designee(s) on behalf of the Board of Selectmen, is hereby authorized to execute any documents and to take any actions necessary or appropriate to effectuate and finalize the foregoing.

10.) **Consideration of Firemen LOSAP – Length of Service Award Program**

First Selectman Knickerbocker explained that after considerable investigation into this issue, it was discovered that since its initial inception by the Board of Selectmen, the plan owner was improperly changed from the "Town of Bethel" to "BVFD". Amendments had been made to the LOSAP plan by various fire department members without informing the Board of Selectmen or obtaining approval by the Board of Selectmen; this caused a substantial increase to the cost of the plan. Several years back, the former Comptroller discovered this and stopped payment to the company and transferred funds to the town pension management company. The LOSAP plan had been put on hold. The town actuarial firm had prepared several scenarios for the Board of Selectmen to consider. Board of Selectmen members were provided these and will review and discuss at an upcoming meeting. First Selectman Knickerbocker made a motion, which was seconded by Selectman Straiton, to table. Vote, all in favor, motion unanimously approved.

As there was no further business on tonight's agenda, Selectman Straiton made a motion, which was seconded by Selectman Szatkowski, to adjourn the meeting at 7:00 p.m. Vote, all in favor, motion unanimously approved.

Respectfully submitted,

Wendy Smith, Recording Secretary
