2. Algebra II 31 Curriculum

Discussion:

Dr. Jordan noted the Algebra II curriculum was revised to reflect changes in the Algebra I curriculum, brought about due to the ongoing work on a model Algebra I curriculum at the state level which now includes quadratics as a unit. The curriculum for all three levels of Algebra II were done at the same time to ensure that the required CCSS were included in all three documents and the extensions within the standards for Algebra II were incorporated within the

honors level.
