Instruction to Bidders

PROJECT REQUIREMENTS

A. Brief description: The Town seeks a design/build contractor to replace one Energy Recovery Unit (ERU) and provide air conditioning to portions of Bethel High School, 300 Whittlesey Drive. There is a mandatory site walk on November 10th, 2022 at 3:30PM. The project is required to be substantially complete not later than September 1st, 2023.

B. Scope of Services

The Town seeks a contractor to replace one energy recovery unit and provide air conditioning to portions of the 1970 and 1975 areas of Bethel High School. The project is broken up into base bid work and four alternates to provide the best use of funds available.

Base project includes the replacement of ERU-2, condensing unit, piping and controls. Contractor is to provide all work associated with the removal and replacement of ERU-2 and associated components to provide a fully functional and commissioned system. Work includes but is not limited to new equipment, removal, demolition, refrigerant recovery, rigging, structural modifications, roof work, piping, controls, electrical, temporary power, power for construction activities, insulation, ductwork, painting, permits, supervision, general conditions, commissioning, submittals, closeout, etc. as defined in the contract documents and as required for a complete and fully operational system. Replacement of this unit is anticipated to be performed in the summer of 2023.

Alternate work includes the addition of air conditioning to portions of the 1970 and 1975 areas of the high school as well as removals of existing HVAC and electrical systems. Alternates are defined under specification section Alternates 012300. Work includes but is not limited to providing new dedicated outside air supply units, VRF systems, exhaust fans, controls, structural work, architectural work, roofing, curbs, supports, duct work, piping, draining and refilling heating system, insulation, electrical, electrical power upgrades temporary power, power for construction activities, controls, cutting and patching, restoration, chases, fire stopping, smoke sealing, fire alarm, ceiling work, general conditions, restoration, coordination, supervision, phased construction, painting, rigging, mechanical and electrical system shut commissioning, submittals, closeout, etc. as defined in the contract documents and as required for a complete and fully operational system. Contractor to maintain heating in the building until May 15, 2023.

The intent is to have a mechanical prime contractor coordinate all activities for the project and provide on site supervision for all trade contractors whether mechanical work is ongoing or not. Contractor to coordinate all construction activities and schedules with Bethel High School prior to commencing construction activities.

Project is anticipated to be phased. Contractor to coordinate with Bethel High School for access to the site and areas of work. All work in the corridors to be completed outside of normal school hours. Work on the roof, mechanical type rooms and designated classroom areas can be performed during school hours. Groups of classrooms can be made available to the contractor to perform work during

normal school hours. Assume blocks of 3 to 4 classrooms at a time. Contractor to coordinate all coring, saw cutting and hammer drilling activities to before or after school hours.

Refer to the Division 1 specification for additional project requirements.

All work associated with hazardous material removal shall be provided under this contract. Refer to specification section 003126 for requirements.

Components to remain. Verify and identify that any existing systems or components to remain are, at turnover, in a condition suitable for re-use consistent with “new” installation. These potentially could include, but are not limited to: structural steel, curbs, roofing, rooftop ductwork, electrical wiring and components, controls network wiring, technology systems, etc.

The Town seeks a contractor to perform abatement services of asbestos, lead & universal waste within Bethel High School.

These materials are to be removed and disposed of in accordance with all local and state statutes and regulations.

PROPOSAL REQUIREMENTS

Additional Requirements

Proposal shall confirm the following in writing:

1. Insurance coverage

The Contractor shall purchase the following types of insurance, and maintain all insurance coverage for the life of the contract, from an insurance company or companies with an A.M. Best rating of A- (VII) or better. Such insurance shall protect and indemnify Town of Bethel and Bethel Board of Education from all claims which may arise out of or result from the Contractor's obligations under this Agreement, whether caused by the Contractor or by a subcontractor or any person or entity directly or indirectly employed by said Contractor or by anyone for whose acts said Contractor may be liable.

As to the insurance required, the insurer(s) and/or their authorized agents shall provide Town of Bethel and Bethel Board of Education with certificates of insurance prior to commencement of the work, describing the coverage and providing that the insurer shall

give Town of Bethel and Bethel Board of Education written notice at least ten (10) days in advance of any termination, expiration or changes in coverage.

Worker's Compensation

Contractor shall provide worker's compensation and employer's liability insurance that complies with the regulations of the State of Connecticut with limits no less than \$1,000,000 each accident by bodily injury; \$1,000,000 each accident by disease; and a policy limit of \$1,000,000. Such policy shall contain a "waiver of our right to recover from others endorsement" in favor of the Town of Bethel and Bethel Board of Education.

Commercial General Liability Insurance

Contractor shall provide a commercial general liability insurance policy that includes products, operations and completed operations. Limits should be at least: Bodily injury & property damage with an occurrence limit of \$1,000,000; Personal & advertising injury limit of \$1,000,000 per occurrence; General aggregate limit of \$2,000,000 (other than products and completed operations); Products and completed operations aggregate limit of \$2,000,000. Such coverage will be provided on an occurrence basis and will be primary and shall not contribute in any way to any insurance carried by the Town of Bethel and Bethel Board of Education. Such Policy shall name the Town of Bethel and Bethel Board of Education as an Additional Insured with respect to claims arising out of the Contractor's negligence or for the negligence of those for whom the Contractor is responsible, by endorsement, ISO Forms CG2010 and CG 2037 or their equivalent.

Commercial Automobile Insurance

Contractor shall provide commercial automobile insurance for any owned autos (symbol 1 or equivalent) in the amount of \$1,000,000 each accident covering bodily injury and property damage on a combined single limit basis. Such coverage shall also include hired and non-owned automobile coverage.

Umbrella Liability Insurance

Contractor shall provide an umbrella liability policy in excess (without restriction or limitation) of those limits and coverage described in items (A) through (C). Such policy shall contain limits of liability in the amount of \$5,000,000 each occurrence and \$5,000,000 in the aggregate.

Engineers Professional Liability Insurance

Contractor shall purchase and maintain a policy covering their errors & omissions with limits no less than \$2,000,000 each claim and \$2,000,000 in the aggregate. If written on a

claims made basis, such insurance shall be maintained for no less than three years after completion of the work.

Final Insurance Approval

All insurance coverage and policies required to be provided by Contractor shall be subject to final review and approval by the Town of Bethel's Insurance agent as to both form and substance.

Subcontractors

Any and all subcontractors of the Contractor shall provide the same insurance coverages as set forth both as Additional Insureds. For good cause shown, the Town of Bethel may waive any coverage requirements or other aspects of the insurance requirements for any subcontractors.

2. Independent Contractor

All activities performed by the Contractor and its agents, employees or representatives are, for all purposes under this Agreement, performed as an independent contractor and not as an employee of Town of Bethel and Bethel Board of Education and neither the Contractor nor its employees shall be entitled to any benefits to which employees of Town of Bethel and Bethel Board of Education are entitled including, but not limited to, worker's compensation, overtime, retirement benefits, health care benefits, vacation pay or sick leave.

3. Indemnification

The contractor shall indemnify and hold harmless the Town of Bethel & Bethel Board of Education and its agents and Employees from and against all claims, damages, losses and expenses, including Attorney's fees arising out of, or resulting from the performance of the work.

4. Bonds

A Bid Security/ Surety Company Bond, for at least five percent (5%) of the amount of the bid, must accompany each proposal; certified checks will be accepted. Bid Security shall be payable to the Town of Bethel, and shall be properly executed by the bidder.

The successful bidder must furnish a separate one hundred percent (100%) Construction Performance Bond and one hundred percent (100%) Construction Payment Bond to the Town of Bethel at the time of contract signing.

5. Means & Methods

All Bidders are required to inform themselves fully of the conditions relating to the construction and labor under which the work will be or is now being performed, and the Contractor shall employ, as far as possible, such methods and means in the carrying out of this work as will not cause interruption or interference with any other contractor.

6. Bid Duration

Bids may be held by the Town of Bethel for a period of not to exceed ninety (90) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the Bidders prior to awarding the contract.

7. Prevailing Wage Rates

The minimum rates to be paid labor of the various classifications shall be in accordance with the current schedule of wages established by the State Labor Commissioner as provided in the General Statutes of Connecticut and the federal Davis Bacon Regulations, as revised. Please refer to **Exhibit A, for Prevailing Wage Rates.**

8. Tax Exempt

Bidders shall not include any Federal Excise Taxes or State of Connecticut Sales Taxes which otherwise may apply.

G. Exceptions to RFQ/RFP Requirements Herein

Provide a detailed list with explanations of any and all exceptions being made in the proposal.

PROPOSAL REVIEW AND CONTRACTOR SELECTION PROCESS

A. Selection

The BPC/TFD will review the responses for compliance with the required documentation to determine responsiveness. The responsive submittals will then be evaluated based on the responses to specifics outlined in this RFP/RFQ, including but not limited to the following criteria:

- Price
- Experience with work of similar size and scope with successful outcomes
- Past performance/ References
- Project schedule
- Warranty offered on equipment and labor
- Capability to support utility incentive applications
- Other criteria specific to the project

The BPC/TFD may narrow the list of applicants and schedule follow up questions as they deem necessary. Public Law 08-169 requires the Selection Committee to make an award "...from a pool of not more than the four most responsible qualified proposers..." The "most responsible qualified proposer" is the proposer "...who is qualified by the awarding authority when considering price and the factors necessary for faithful performance of the work based on the criteria and scope of work included in the request for proposals."

B. Right to Reject Submissions

The Town/BPC/TFD may at any time prior to the selection of a respondent reject any and all proposals and cancel this RFQ/RFP, without liability therefore, when doing so is deemed to be in the Town's best interests. Further, regardless of the number and quality of proposals submitted, the Town/BPC/TFD shall under no circumstances be responsible for any respondent's cost, risk and expenses. The Town accepts no responsibility for the return of successful or unsuccessful proposals. This RFQ/RFP in no way obligates the Town/BPC/TFD to select a respondent.
