Re: CES New Credit Card Payment Portal

Dear Valued Client,

CES is no longer requiring submission of our credit card authorization form for payment processing. We have set up a new credit card payment portal for your use.

You are now able to follow the link, or scan the URL code below, to make a credit card payment. The link will be included within the body of the email you receive each cycle as well. Please note there is a \$10,000 limit per transaction. Also, please make sure you reference CES's project# - Invoice# for proper application of your payment.

Please email accounting@ceseng.com with any issues making your payment.
